MindLink Mobile

Take your contacts and chatrooms, with you on the go. Our mobile application will let you access private conversations and group chats whilst travelling - now with persistent conversation history - Pick up the conversations from where you left them without the need to be at your desk! All while managed by your organizations mobile security solution or EMM provider.

MDM Compatibility

MindLink Mobile (MLM) is Android for Work ready and currently supports the world's leading EMM solutions:

- AirWatch
- MobileIron
- Good/BlackBerry
- Citrix

Our list of supported systems continues to expand based on customer needs.

UC Support

MindLink Mobile currently supports the following Unified Communication (UC) systems.

- Microsoft Lync (2010, 2013)
- Skype for Business (2015, 2019)
- Skype for Business Online (O365)

Should your system not be specified don't hesitate to contact us.

Enrich your UC experience and *get in touch today!*
